ABOUT PHIL

After successfully leading high performance teams in the investment industry, Phil pursued his passion for helping people and organisations work together to respond positively to powerful trends and change.

He is a leading expert in **connecting profit with purpose**, the title of his upcoming book, and the author of an e-book on **creating and leading successful teams**.

Phil focuses on **practical tools and techniques** rather than idealistic or theoretical approaches.

His clients include CBA, Challenger, GPT, IAG, JLL, QBE and Westpac, and he's worked extensively with not-for-profits, associations and local / state government departments.

As a speaker, he distills years of experience into actionable learning, making use of storytelling, audience interaction and a splash of dry humour for a journey of insight and inspiration.

Outside of work he is enthusiastic about coffee, chocolate and trail running!

"There was great feedback from your session and plenty of notes taken - thank you for providing a great start to the day" -
EMT Forum Chair, Challenger Group

"Thank you so much for presenting to our clients, we received an overwhelmingly positive response from them" -
Managing Director, Recruitment Edge
