

Phil Preston

MC INTRO

(60-75 seconds)

Our next speaker is recognised globally as a leading authority on navigating change and transformation. With more than two decades of experience across leadership and consulting, he has helped organisations in the business, government and community sectors cut through complexity, build resilience and lead with clarity. Featured in **The CEO Magazine** and **AFR**, he delivers practical frameworks that turn disruption into opportunity. Please welcome to the stage... **Phil Preston!**
